

## Ontuitive: Guiding the Path of Empowered Employees

Empowering your employees with the right skills to be successful at their jobs doesn't need to come at a high-cost with long days. Ontuitive is a secure, cloud-based performance learning environment that provides a powerful, global platform for delivering learning in the moment of need.

People learn best by doing. That's why with Ontuitive, employees are guided along with training that feeds relevant information when they need it most, enabling the knowledge transfer to happen immediately on-the-job. Whether business process guidance, course companions, sales enablement or embedded application support; Ontuitive provides businesses with a powerful learning platform that nurtures empowered employees.

### IN THE MOMENT, ON-THE-JOB GUIDANCE

Employees spend an average of 9.3 hours/week searching for information - provide them with the answers they need, when they need it most, and turn hours into seconds.

### ONSCREEN, MOBILE AND EMBEDDED

HTML5 and responsive design provide an experience optimized for desktop or mobile, allowing for performance support anywhere, anytime. **Ontuitive Integrate** provides a toolkit to ensure that your content is contextually relevant – whether you're using the pioneering cAPI specification or Ontuitive LGA and Ready Technology for the integration.

### SUPERIOR LEARNING METHODOLOGY

A methodology perfected over 15 years for optimal application of knowledge... at the right time – the moment of need.

### SECURE, SCALABLE, AUTHORING & HOSTING

Your business and processes are unlike any other. **Ontuitive Manage** and **Ontuitive Host** work seamlessly together to enable you to author and host proprietary content as well as modify learning modules in real-time.

### EMPLOYEE PERFORMANCE MEASUREMENT

Track and measure your employee's progress with **Ontuitive Measure's** unique tools that allow you to monitor and interact with your employee's learning. Ontuitive provides fully configurable, out of the box support for xAPI.

### BOUTIQUE CONSULTING

Our nimble team of expert advisors in the field are with you from conception to launch, and beyond. We don't go dark after implementation.
